

IN THE CLAIMS

Please cancel claim 18 as follows:

16. (PREVIOUSLY PRESENTED) A method of presenting material on a same topic to a learner, comprising:

(a) storing on one or more computers a plurality of materials including a collection of alternate presentations, each covering the same topic;

(b) providing a communications link to the materials, via a data channel, with a communicator of the learner;

(c) storing profiles of learners, which contain information about characteristics of each learner including information about each learner's curriculum, teaching strategies, present standing and personalized information;

(d) selecting a preferred presentation from the collection of alternate presentations based on the learner's profile; and

(e) making the selected presentation to the learner.

17. (PREVIOUSLY PRESENTED) The method of claim 16, wherein the information about each learner's curriculum substantially determines each learner's needs and the step of selecting the preferred presentation from the collection includes matching the learner's needs with the preferred presentation suited to those needs.

18. (CANCELED)

19. (PREVIOUSLY PRESENTED) The method of claim 16, wherein the information about each learner's teaching strategies includes information on the learner's preferred teaching strategy and the step of selecting the preferred presentation includes selecting the preferred presentation according to the learner's preferred teaching strategy.

20. (PREVIOUSLY PRESENTED) The method of claim 16, wherein the information about each learner's present standing is ascertained in a non-intrusive, transparent manner, based on a demonstration of a level of competency by the learner.

21. (PREVIOUSLY PRESENTED) The method of claim 16, wherein the personalized information includes information about difficulties in teaching the learner.

22. (PREVIOUSLY PRESENTED) The method of claim 16, wherein the personalized information includes information about the learner that facilitates teaching.
